

Rollei Actioncam **Autumn 2013**

Rollei
actioncam

"The Rollei Actioncam convinces by its awesome Full HD videos!"

[Nina Prinz, racing motorcyclist]

"Always getting down the mountain in high speed. Branches are breaking, slip rock coming down – this is Downhill. And in combination this cam which is suitable for every action."

[Denny Wolframm, downhill racer and freerider]

"Snowboarding is a challenge. The Rollei Actioncam is not only able to withstand these challenges, but also to capture every facet of it. Therefore I can experience countless times every moment of my winter."

[Silvia Mittermüller, Slopestyle Snowboarder]

"Regardless of Hang Fives, Spins or Tail-whips... this camera can always be near the action – and if I want also in slow motion."

[Thore Saggau, Flatland BMX rider]

Tripod mount at the bottom of UW housing

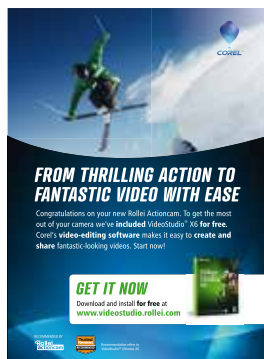

Incl. Corel® VideoStudio® X6 Download Link for free!

From thrilling Action to fantastic Video with Ease!

**FOR
FREE**

To get the most out of your camera we've included VideoStudio® X6 for free. Corel's video-editing software makes it easy to create and share fantastic-looking videos. Start now!

Highlights

- Fast and easy professional video editing
- Advanced special effects such as variable speed and time-lapse photography
- Anti-Shake
- Add music and voiceover to your videos
- Easy online sharing via YouTube and Facebook

System Requirements:

Intel Core Duo 1,83 GHz processor or AMD Dual Core 2,0GHz processor (we recommend an Intel Core i5 or i7 processor or an AMD Phenom II X4 or X6 processor) | Microsoft Windows 8 or Windows 7 with the latest service packs (32-Bit or 64 Bit Editions) | 2 GB RAM (we recommend 4GB RAM or later and 1 GB VRAM or later) | Minimum screen resolution of 1024 × 768 | Windows-compatible sound card.

Internet connection required for registration.

Rollei S-50 WiFi Standard Edition

Real-time live image – Integrated Wi-Fi (up to 20 m range) | Control of the app: start / stop, zoom (digital) photo / video release | Save and view videos and photos on Tablet PCs and smartphones* | Emergency uploading to social networks.

14 Megapixels WiFi Action Camcorder

with Full HD Video Resolution 1080p (1920x1080p/30 fps, 1920x1080i/60 fps)

Live Video Streaming and Immediate Upload to social networks

Adventure lovers can use the Rollei Actioncam 5S WiFi via their smartphone with an app. They can view and share videos in real-time – enabled by integrated WiFi (up to 20 m range) and corresponding app (for iOS and Android).

Full HD Resolution 1080p

guarantees breath-taking results in optimal quality. You can increase the frame rate up to 60 fps (1080i) to capture crystal clear slow-motion images. Photos can be taken while video recording.

The video time lapse function

gives you a whole new outlook for video recordings and boasts intervals!
